About Krewe: The Krewe of MLMP's mission is to support the arts, Olde Towne Slidell and good humor.

The Krewe of Mona Lisa and MoonPie brings mirth and merriment to the streets of Olde Towne Slidell by the light of the flambeaux.

Margaret Orr, local arts news editor as a Grand

Marshall, Slidell Mayors and acclaimed theater Actors are included in Past Royalty.

The Krewe of Mona Lisa and Moon Pie is a 200-member Carnival walking group that offers paradegoers a perennially popular phalanx of elaborately costumed marchers and marching groups, dancing clubs and jazz bands, and, of course, a zany mix of grocery carts, bicycles and rickshaws for which the organization is known. The annual walking parade is popular among Slidellians, who line the local streets to watch and catch the prized Moon Pie throw. Krewe members toss more than 23,000 Moon Pies in any given parade.
